

Mansory Strikes Again, this Time with BMW 7-Series F01 Tune

04/03/2011 23:30 by admin

While we were looking into Mansory's Geneva Motor Show world premieres, the tuning house's Swiss subsidiary came out with a set of photos announcing its upcoming program for the latest BMW 7-Series. Mansory Switzerland is keeping all details under wraps for now, so we can only tell you about the styling treatment which includes a new front.[...]
