

Skoda Introduces Fabia R2 Rally Car for the Masses

08/03/2011 21:30 by admin

The VW Group's Czech subsidiary Skoda has unveiled the Fabia R2, a new race-spec model intended for the popular R2 rally category. Based on the series production Fabia, the R2 features significant changes to the engine, chassis, suspension and gearbox. Compared to the road car, the Fabia R2 has a rally-tuned suspension and a modified chassis[...]
