

Carbon Love: Audi R8 Hyper Black Edition by Anderson Germany

14/03/2011 15:36 by admin

Anderson Germany, one of Europe's lesser known tuning firms, has set their sights on the flagship version of the Audi R8 with the 5.2-liter V10 powerhouse. Named Audi R8 Hyper Black Edition, the tune includes both aesthetic modifications and a few modest performance upgrades. The mechanics at Anderson Germany started by reconfiguring the ECU[...]
