

The Weirdly Awesome 1970 Nissan Skyline GT-R Microcar Replica

16/03/2011 04:10 by admin

We know what you're thinking but stop right there. What you are looking at here isn't the result of some crafty photoshop business - it's the real deal; an actual factual microcar replica of a 1970 Nissan Skyline GT-R coupe that was created by Japanese tuning firm Liberty Walk Performance. The scaled down, single-seater clone of Nissan's[...]
