

Arden gets its hands on the New Range Rover Evoque, Creates the 270HP AR8 City-Roader

18/03/2011 16:58 by admin

We're still a few months away from the market launch of the all-new 2012 Range Rover Evoque, but the tuning folks over at Arden have already unwrapped their plans for the British firm's "baby" SUV model. Named the Arden AR8 City-Roader, the German firm's take on the Evoque includes a number of cosmetic enhancements and performance modifications[...]
