

Brabus 800 iBusiness 2.0 is the World's Fastest Office on Four Wheels

22/03/2011 23:36 by admin

Mercedes-Benz tuning specialist Brabus is the first company to develop a multimedia system based on the new Apple iPad 2. The tuning house integrated the new tablet computer in the rear compartment of the Brabus 800, which is a heavily modified V12-powered S-Class sporting 800 ponies and supercar-humiliating performance numbers. The iPad2[...]
