

Bulgaria's Vilner Dresses Up Mercedes ML 350

23/03/2011 21:47 by admin

In its latest tune, Bulgarian custom studio Vilner is taking a shot at the current generation of the Mercedes-Benz ML 350 with a purely cosmetic package leaving the mechanical hardware intact. Vilner's exterior modifications are rather subtle being limited to the new custom made headlamps housing LED lights and the replacement of all chrome[...]
