

Prior Design Teases New Tuning Package for 2012 BMW 6-Series Coupe and Convertible

24/03/2011 15:02 by admin

Given that the first examples of BMW's new 6-Series Convertible will begin arriving in dealerships this spring followed by the Coupe model in the fall, it doesn't come to much of a surprise that tuners have started working on their packages for the Bavarian GT. After the announcements from AC Schnitzer and Hamann Motorsports, it's time for Prior[...]
