

Audi A5 by Project Khan

25/03/2011 21:13 by admin

Just when Project Khan seemed been lost in the shadows, the British tuning firm returns back to the spotlight with some pretty snazzy new programs for us aftermarket-loving fanatics. We've already gotten a good look at the new Range Rover Diablo and now, Afzal Khan and his merry band of buddies have released their latest styling package for the Audi A5. As a man who prides himself on providing customers with some of the most well thought of packages in the industry, Khan's work on the Audi A5 is a testament to why he's considered one of the best in the biz. The new body kit for the A5 may be "subtle" compared to his past works, but there's still something to be said about a man that can turn just about anything into his own personal work of art.[...]
