

Power to the People: Late Model Racecraft's Twin Turbo Camaro Pushes out 1,810 Horses

26/03/2011 18:18 by admin

The folks over at Late Model Racecraft pride themselves for being ?Home of the world's quickest and fastest stock suspended LSX?. In one of their latest tunes, they crafted a twin-turbocharged Chevrolet Camaro for owner Kelly Bise who will race the car at the Texas Mile event this weekend. The insane Camaro was thrown on a dyno to see how much[...]
