

## Wald International Tricks Out BMW's Latest 5-Series F10 Sedan

28/03/2011 19:21 by admin

Noted Japanese tuning house Wald International is preparing its first customization take on the latest BMW 5-Series sedan. Details are still scant as this is a project in the works, but the Wald-modified 5-Series Sports Line Black Bison Edition gets a collection of aero body pieces made from fiberglass-reinforced plastic. The exterior kit[...]
