Vorsteiner Previews New Lightweight Carbon-Fiber Boot with CSL-Like Spoiler for BMW's E93 3-Series

28/03/2011 22:22 by admin

Tuning specialist Vorsteiner has given us a first glimpse of its upcoming carbon fiber boot lid for the latest BMW 3-Series Convertible [E93]. The new boot lid incorporates a built in "duck bill" spoiler similar to the one found on the BMW M3 CSL special of the E46 series. According to Vorsteiner, it will be lightest cabriolet boot lid available[...]
