

FatChance 2.0: The Very First Customized 2011 Chrysler 300 [with Videos]

30/03/2011 09:41 by admin

The original Chrysler 300 is perhaps one of the most popular cars in the tuning industry here in the States, so it doesn't come as a surprise that the Detroit automaker is using the car's successor to tap into the custom scene. The very first customized 2011MY Chrysler 300 is called the Fatchance 2.0 and it made its debut alongside the[...]
