

This 700-hp V12-powered E-Class is the best kind of EV [Tuner Cars]

31/03/2011 19:59 by admin

Don't be thrown by those telltale letters; this EV hasn't a single battery, electric motor or spread in *Utne Reader*. The EV12 is a tuned, V12-powered Mercedes-Benz E-Class with two turbos and 700 hp at the wheels.[...]
