

Watch an 1800 horsepower Camaro go 239 MPH [Video]

02/04/2011 17:46 by admin

We showed you Late Model Racecraft's 1,808 RWHP fourth-gen Camaro SS on the dyno before the Texas Mile, now you can see the car realize its high speed potential. This impressive 239 MPH high speed run makes this fourth gen the fastest Camaro to have ever run at the Mile. [...]
