This is Mayhem. Mayhem is a bright, flat-red Porsche 997 that has been tuned to high-heavens by Evolution Motorsports. The Arizona-based tuning company has cultivated a reputation as one of the premiere American tuners of German cars with Mayhem being the latest one of ’em. So how exactly did this particular 997 earn the nickname ’Mayhem’? Apart from the carbon fiber accents, this Porsche doesn’t look like it got so much of an aerodynamic and performance upgrade treatment from the people over at Evolution Motorsports. That is, until you look for the ’EVT 1500’ stickers found on the bottom of the doors. What looks to be a standard Porsche 997 is anything but.[...]
