

Novitec's Maserati GranCabrio is your dentist's ultimate supercar [Tuner Cars]

11/04/2011 23:20 by admin

There's not much wrong with the Maserati GranCabrio, but any perceived fault can be outrun by a \$28,000 upgrade from Novitec that puts 590 hp behind the trident. Can a dentist handle a supercar like this? [...]
