

1,000-HP Twin-Turbo Escalade beats Nissan GT-R [Video]

13/04/2011 19:00 by admin

John Hennessey's got this great shtick going where he takes his Frankenstein monsters and pits them against stock versions of cars we associate with performance. It's total nonsense, but how the hell do you not watch a twin-turbo Cadillac Escalade race a Nissan GT-R? [...]
