

Mean Green Machine: Geiger Cars Boosts the Chevrolet Camaro SS to 564 Ponies

14/04/2011 02:01 by admin

It seems that the 426HP Chevrolet Camaro SS wasn't powerful enough for German aftermarket specialist Geiger Cars that decided to spice up Chevy's pony car. The result is the Camaro Super Sport HP 564, an upgraded version of the standard car that attracts attention foremost for its flamboyant black and green paint scheme.[...]
