

Anderson Germany Creates a 420HP Ford Focus RS for those that didn't Grab an RS500

14/04/2011 06:02 by admin

If you didn't manage to purchase one of limited edition Ford Focus RS500 before production ran out, you may want to take a look at Anderson Germany's Ford Focus RS "Black Racing Edition". The tuner-prepped Focus RS features a matte black paint scheme similar to the one featured on the RS500 adding contrasting red elements like the RS badges, the edges of the rims and the Ford logo.[...]
