When talking about customized Ford Mustangs, you can name five of the best the business has to offer in a heartbeat and chances are, one of those names would be SMS Supercars. Founded by the legendary Steve Saleen, the same man that founded Saleen Inc. that gave way to the Saleen S7 supercar, SMS Supercars is considered as a go-to-shop for Mustangs of varying versions, including the Mustang Boss 302. Recently, SMS proudly unveiled three new editions of the Boss 302: the White Label, the Yellow Label, and the Black Label.[...]
