

SpeedART's Porsche Cayenne Titan EVO-XL 600 goes on Sale

15/04/2011 22:31 by admin

If you're been unimpressed by the second generation of the Porsche Cayenne so far, no need to worry as Stuttgart's SUV has gathered heaps of aftermarket attention in Europe. Following an announcement earlier this year, longtime Porsche tuning house SpeedART has launched a performance package for the latest Cayenne, dubbed the EVO-XL 600.[...]
