

Novitec Rosso Supercharges Alfa Romeo 8C Spider to 600-horsepower

05/05/2011 00:34 by admin

It may not be the best sports car Italy has to offer us right now, but Alfa Romeo's 8C Spider is certainly a prime candidate for being one of the most beautiful out there. That said, even Novitec Rosso is smart enough to know that you don't mess with a good thing with the German tuner focusing its attention on improving the Alfa's mechanical hardware.[...]
