

Shelby GT500CR Venom by Classic Recreations

05/05/2011 04:35 by admin

The employees over at Classic Recreations have the best job ever. During their time at the office, they get to take the best looking classic Mustangs and turn them into modern interpretations of what they once were. All of the classic looks of some of the best looking muscle cars of all time get to keep their exquisite designs, while getting juiced up and buffed out for their grand re-entrance into society. Classic Recreations have already gifted us with their modern take on the 1967 Shelby GT500CR and now they are astounding us once again with the 1967 Shelby GT500CR Venom. The Venom takes the standard GT500CR and adds a bit of edge and even more power to create a muscle car that can literally stop our hearts.[...]
