

Pontiac GTO Judge Resurrected?Sort Of: Tuner Prepped Model Based on the Camaro

07/05/2011 01:17 by admin

The makers of the fire-breathing Phoenix T/A that we saw at the 2009 SEMA show in Las Vegas are back with yet another proposal for a Pontiac model based on the latest iteration of Chevy's Camaro pony car. This time the people over at Trans Am Depot will give birth to a modern day interpretation of Pontiac's famed 1969 GTO Judge. The tuner named its creation "The GT9 Goat".[...]
