

Ferrari 458 Italia Zeus by SR Auto Group

10/05/2011 00:01 by admin

We're getting used to seeing all kinds of names for the many different tuning projects completed by SR Auto Group and each one gets more promising with its powerful and aggressive title. The latest kit to come out of the Vancouver based firm is for the Ferrari 458 Italia and is called "Zeus." Since it's named after the "Father of Gods and Men" himself, we fully expected a god-like package and SR Auto delivers with a vehicle that "roams the town with its thunderous roar that claims the concrete pavement as its home." [...]
