

Carlsson Mercedes-Benz E-Class Cabriolet

15/05/2011 15:48 by admin

Carlsson, car tuning specialist from Germany, has unveiled its latest tuning package for the Mercedes-Benz E-Class Cabriolet. The kit is available for the Mercedes-Benz E 350 CDI model which is powered by the stock 3.0-liter V6 diesel engine that produces 231 hp. At the exterior, the Carlsson Mercedes-Benz E-Class Cabriolet features new aerodynamic package that [...]
