

## Ferrari 458 Italia by Specialty Car Craft

16/05/2011 18:11 by admin

Amongst the many European tuners taking a crack at modifying the Ferrari 458 Italia, only a minuscule number of US tuners exist. For whatever reason, Americans tend to want to leave the Ferrari alone and bide their time making over our hometown muscle cars. That being said, Specialty Car Craft has done what only very few have by preparing a small tuning package for the Italian thoroughbred. Don't expect any modifications to be found under the hood because, well, SCC just isn't that crazy.[...]
