

Chevrolet Corvelle Convertible

17/05/2011 03:24 by admin

The Chevelle was one of the most successful nameplates in Chevrolet's history. It was produced from 1964 to 1977 in three different generations and four distinct body styles: Coupe, Sedan, Convertible, and Station Wagon. With 34 years of Chevelle-less history, it was only a matter of time before someone thought it was a good idea to bring back the Chevelle in some sort of revival vehicle. This blast from the past comes to us as the Chevrolet "Corvelle" and was put together by an unknown builder that thought it would be a great idea to combine the chassis from a 1968 Chevelle and just about everything else from a 2007 Corvette. Only 15% of the Chevelle was left when the Corvette's components were added in and the end result is a seamless construction of two Chevrolet icons.[...]
