

Oakley Design Lamborghini Aventador LP760-2

17/05/2011 06:27 by admin

Oakley Design of UK has unveiled its tuning program for the Lamborghini LP700-4 Aventador known as LP760-2. Only five cars will be produced with their own unique numbered plaque and three of them are already sold. Individual parts will also be available for clients who do not need the complete package. At the exterior, the [...]
