

FAB Design's Cadillac Escalade Proves Money Can't Buy Taste

19/05/2011 05:39 by admin

Swiss-based tuning firm Fab Design will no doubt raise a few eyebrows with its most recent work on the Cadillac Escalade. Roland Rysanek, the owner of the aftermarket company, which specializes on Mercedes-Benz models, found himself in front of a dilemma when asked by a North African client to modify the heavyweight American SUV.[...]
