

Bentley Continental by MC Customs

25/05/2011 12:21 by admin

In recent times Bentley has found the most success through its Continental GT model. It has become an icon of wealth and prestige with everyone from musical artists to major league sports stars. The car became so popular that in some instances it doesn't even seem that special anymore. Bentley helped to keep things fresh by introducing the Speed models, but in order to truly stand out customization is needed. One such baseball athlete has just received one of the most unique Bentleys we have ever seen thanks to a tuning shop in Miami, Florida.[...]
