

Lexus LX570 Black Bison Edition by Wald

27/05/2011 05:54 by admin

Tuning an SUV is something often left to companies that make them more off-road capable. Some luxury SUV platforms, like those from Land Rover, receive the ultra-luxury treatment, but have you ever seen a Lexus SUV makeover from a renowned tuner? Wald International has been building body kits and upgrading all sorts of luxury automakers offerings for years and has now set their sights on the LX570.[...]
