

Too Much? Graf Weckerle-Tuned Ferrari 458 Italia

01/06/2011 00:15 by admin

It seems that there is a tune for just about everyone and everything these days, from subtle to extreme, and all points in between. We do not know where exactly this Ferrari 458 Italia from German tuning firm Graf Weckerle fits in that spectrum, but those odd-looking alloy wheels are sure to catch the attention of every passerby.
