

Ferrari 458 Italia by Graf Weckerle

01/06/2011 00:15 by admin

Remember the packages offered by German tuner, Graf Weckerle, for the Ferrari 599 GTB Fiorano and the Aston Martin DBS? These packages just oozed style and sophistication with engine upgrades, quality upgrades, and those infamous Fleur-de-Lis ornamental wheels, but not much else was done after those two packages and we were kind of bummed to see the streak end so fast. Thankfully, *Jameslist* has come to our rescue with another creation from the dynamic duo of Alexander C. Graf and Tim Weckerle. And yes, those artistically interesting wheels are back.[...]
