

Hartge Gives the 2012 BMW 6-Series Convertible a Light Tuning Treatment

02/06/2011 20:50 by admin

The German tuning industry is pushing full steam ahead with beefing up BMW's new 6-Series sports car. We have already shown you the offerings from Prior Design, Hamann Motorsports and AC Schnitzer, but now it's time for another traditional BMW tuner to release its goods for the F12 6-Series Convertible.[...]
