

Audi A4 2.0 TFSI Convertible Tuned to 260HP by Sport-Wheels

02/06/2011 21:57 by admin

Even if it has been out of production for some years, the Audi A4 Convertible continues to command the attention of the tuning industry. Sport-Wheels, one of the lesser-known tuning companies in Germany, has presented a new take on the soft-top model with a package for the 2.0-liter TFSI version comprising both mechanical and cosmetic updates. [...]
