We are inviting you to join us in a virtual trip to Eastern Europe. We'll travel to Bulgaria for this one and we are about to see a lot of tuning for a little car. Meet the smart fortwo Square Style, a development brought to us by Vilner, a Bulgarian-based aftermarket developer.

The urban vehicle has received a lot of attention, with the exterior and the interior being modified. The company wanted to create a crowd magnet and, if you ask us, it has succeeded.

The vehicle was dressed in[...]
