

## Ferrari 458 Italia Gentle Custom Project

06/06/2011 17:09 by admin

The Ferrari 458 Italia is a creation that just can't be described by the word car. The Italian temptress has so many to offer, starting with the design that can steal your heart, the engine that will make you want to sell your soul and... frankly we could go on forever, but there's no point in that. However, certain owners feel a need to personalize their 458. We are not talking about about tuning packages that radically transform the vehicle (see? we didn't use the term car) - we're referring t... [...]
