

Japan's Impal Tricks Out the New Nissan Juke

06/06/2011 18:10 by admin

It doesn't even come close to being the prettiest model out in the market, but Nissan's Juke sure ain't boring. Now, Impal, one of Japan's lesser-known tuning firms has set their eyes on improving Nissan's small crossover with the release of a new performance and styling package.[...]
