

KBR Motorsport Targets the Volkswagen Passat CC

07/06/2011 09:22 by admin

Volkswagen has been offering those who seek a Passat with more soul the alternative to buy the Comfort Coupe (CC), with the automaker being present at the entry-level of the four-door coupe segment.

However, aftermarket developers have been rather shy in offering modification packages for the vehicle. The Passat CC has received a number of tuning goodies since it was introduced, but the offer isn't exactly generous. Fortunately, a new modification program for the CC is now available, with [...]
