

2012 BMW 1-Series M Coupe hits the Tuning Scene

08/06/2011 00:28 by admin

The newest member of BMW's high-praised family of M models has just begun arriving in the hands of its owners, yet we already have one of the first tuned examples of the 2012MY 1-Series M Coupe. A member of the 1addicts forum, who goes by the nickname Flex///M, owns the car you see pictured here and which has been baptized "Clockwork Orange".
