

Meet the First Modified 2012 Volkswagen Beetle Inspired by the Porsche 911 GT3 RS

10/06/2011 20:04 by admin

We have no doubt that this year belongs to the new 2012 Volkswagen Beetle when it comes to tuning mainstream cars. Just wait and see once the first production models begin arriving in the market this fall. For those of you that can't linger until September, here's a first example of a tuned 2012 Beetle.[...]
