## BMW 5-Series F10 gets the Black Bison Makeover from Wald International

18/06/2011 23:44 by admin

We knew it wouldn't be long before Wald International, one of Japan's most well-known styling houses, released its program for the latest BMW 5-Series sedan, codenamed F10. The Japanese tuner's Black Edition Sports Line BMW 5-Series comes with an assortment of aero body pieces made from fiberglass-reinforced plastic.
