

Ford Mustang 'V6 Sport Appearance' Limited Edition

27/06/2011 18:44 by admin

Seeing as its home to one of the world's biggest automakers, it goes without saying that the Japanese have a deep understanding of their cars. And yes, that includes American muscles. So it really isn't all that surprising to find out that Ford is unveiling a special edition Mustang exclusively for citizens of the Rising Sun. The car is being packaged as the "Mustang V6 Sport Appearance" and comes with a unique color scheme with plenty of added goodies to go with it.[...]
