

Nissan GT-R "Agent Orange" horsepower hits 1000 HP

28/06/2011 18:03 by admin

Quick. What's the color of Orange Julius, produces 1000 hp on 93 octane and is named after a Vietnam-era defoliant? It's Operation Agent Orange. The famed tuner Nissan GT-R recently changed hands and took on quite an update. The color remains the same, naturally. [...]
