

## Gold-plated DARTZ Prombron to be The Dictator's wheels

29/06/2011 17:11 by admin

When Sacha Baron Cohen plays Saddam Hussein in the upcoming film, The Dictator, he will apparently be seen on screen riding in a DARTZ armored truck, according to the Russian tuner. The gold-plated unit will be a version of their Prombron model, which is based on Kombat Armouring's T-98, and uses parts supplied by General Motors. [...]
