

Hamann Details Tuning Program for New BMW 6-Series Convertible, More to Come in Frankfurt

01/07/2011 02:02 by admin

Earlier this year, BMW tuning specialist Hamann Motorsport teased its tuning program for the freshly launched 6-Series Convertible with the release of the first photos of the car. Today, the German company gave out information on its initial offerings for the soft-top 6-Series and announced that it will unveil a more aggressive tune at the upcoming 2011 Frankfurt Motor Show this September.[...]
