

## Hamann Is Done Teasing, Unveils New BMW 6-Series Tuning Program

01/07/2011 11:12 by admin

Life goes on for Hamann Motorsports after the death of its founder in March, as the German tuning specialist has revealed its first set of accessories for the new BMW 6-Series Coupe and Convertible models.

The first teaser photos were shown a while back, but this is the first time the firm has detailed what it has done with the brand-new 6er. A full set of images showing the drop-top version of the car have been made available by Hamann, who announced it will unveil a more aggressive tune at ... ([read more](#))
