

Mercedes CLS Edition Black by Kicherer packs a punch

08/07/2011 18:26 by admin

Kicherer has presented their take on the Mercedes CLS 500 with this CLS Edition Black. Power from the base V8 unit is rated at 408PS (402bhp/300kW) and 600 Nm of torque, but the German tuning house has boosted that to 470PS (463bhp/345kW) and 690Nm with a software update and the installation of a new sports exhaust system. Kicherer have also added their PowerConverter to the model which helps the car thrust almost immediately as the driver hits the accelerator.[...]
